Turn-based

## Description

*Ultimate Battle Zombies* is a turn-based game where players pit their zombies against another player's zombie. Fighting is similar to rock paper scissors in that each player chooses 3 high, medium, low or special attacks and 3 high, medium or low blocks. When each player has taken their turn the round plays out. Battles continue back and forth until one of the two zombies is knocked out.

Each zombie has unique special moves, upgrades they can purchase, and powerups that can be used in battle. These range from increased attack power, defense or more hit points.
