What is it about?

Time it right and SMASH the light! BOP IT! SMASH is the brand new game from the makers of BOP IT! for your iPhone and iPod touch. It has all the addictive fun of the handheld arcade game, combined with awesome PowerUps, crazy patterns, and huge point combos! The game is easy to play, but tough to master. Just follow the Energy Ball as it zooms across the screen and SMASH IT when it's in the bullseye. You have to react fast because the levels speed up and the paths get tricky! There are 25 different paths, like ZigZag, Flicker, Ricochet, Spider and Clown.
