Description

In the *Vans SK8: Pool Service* skateboarding game, players play as either Bucky Lasek or Omar Hassan to compete in either Free Ride or Career mode.

Free Ride simply gives you 90 seconds to skate with no lasting score, while career has the player compete in 11 different events. Competing in Timed Run within Career unlocks achievements which in turn unlock the different events. Further the achievements unlock boards, and successfully competing the events unlocks wheels for the player's skateboard.
