A screenshot of the iTriage app on an iPad. It shows a detailed view of Pyelonephritis (kidney infection). The left sidebar includes icons for Symptoms, Doctors, Facilities, Conditions, Medications, Procedures, My iTriage, Spotlight, News, Hotlines, and Survey. The main content area shows the condition's description, symptoms (Flank pain, back pain, occasionally abdominal pain, fever, chills, warm skin, vomiting, nausea, fatigue, painful urination, urinary frequency, urinary urgency, need to urinate at night (nocturia), cloudy urine, blood in the urine, foul or strong urine odor, confusion), and tests (Common tests used for diagnosis and treatment). Below this, a 'Where Can I Go?' section lists appropriate medical settings: Emergency Department (Open 24 x 7 - For any acute condition), Urgent Care (Walk-in care with extended hours), Retail Clinic (Treats minor illnesses and colds), Internal Medicine (Appropriate for this condition), Pediatrics (Appropriate for this condition), Family Practice (Appropriate for this condition), and Infectious Disease Medicine (Appropriate for this condition).

A screenshot of the iTriage app on an iPad. It shows the 'Facilities' search interface. The left sidebar includes icons for Symptoms, Doctors, Facilities, Conditions, Medications, Procedures, My iTriage, Spotlight, News, Hotlines, and Survey. The main content area is titled 'Facilities' with a search bar. A list of facility types is shown, each with a small icon and a description: Emergency Room (Open 24 x 7 - For any acute condition), Hospital (Medical and surgical treatment center), Urgent Care (Walk-in care with extended hours), Retail Clinics (Treats minor illnesses and colds), Physicians (Doctor and practice by specialty), Pharmacies (Medications and medical supplies), Home Health Care (Nursing care at home), Additional Outpatient Clinics (Surgical and imaging centers), and Community Health Center (Gov subsidized clinics for low income).

• iTriage Screenshot Image on iPad #5 of 5 ↓

A screenshot of the iTriage app on an iPad. It shows the 'My iTriage' dashboard. The left sidebar includes icons for Symptoms, Doctors, Facilities, Conditions, Medications, Procedures, My iTriage, Spotlight, News, Hotlines, and Survey. The main content area is titled 'My iTriage' and includes sections for MY INSURANCE (My Insurance), HEALTH INFORMATION (My Health Portals, My Appointments, My Health Care Providers), MEDICAL INFORMATION (Saved Conditions, Saved Procedures, Saved Medications, Saved Allergies), and PROFILE INFORMATION (My Profile). There is also a 'Get iTriage for iPhone or iPad' button at the bottom.
